 signing, the report is correct as far as it is reported to me.

Figure 1. Schematic diagram of the experimental setup. The subject is seated in a chair and views the target through a video camera. The target is a light source that is controlled by a computer. The subject is instructed to move the hand to the target location. The distance between the hand and the target is measured by a laser range finder. The target is located at a distance of 100 cm from the hand. The target is a light source that is controlled by a computer. The subject is instructed to move the hand to the target location. The distance between the hand and the target is measured by a laser range finder. The target is located at a distance of 100 cm from the hand.
