Because of light caused by burning tank, company was forced to change route & swing to right to gain entrance to town. Route reconoltered by S/Sgt Hower. After Co. was in town & contact was established with friendly forces S/Sgt Anthony returned & guided tanks into position in town. At daylight Co. attacked to clean out town but was unsuccessful because of two enemy tanks, Mark 5's, which held successful road blookes on main street. 155 Arty & tank fire knocked out one enemy tank & remaining tank withdrew. At end of day we held 1/2 of town. During day our tanks knocked out 3 enemy tanks trying to attack from rear and left flank.

As of 17 Jan 45 - Remainder of Bn came to town and followed in behind as company again set out to clean out town. Attack progressed well and last enemy tank withdrew. Town cleared at 1330. Attack harrassed by enemy tank fire from woods

but mission finally accomplished. Company with S Co. on right started attack for objective which was edge of woods 2000 yards NE of town of Sterpigny. Enemy direct fire weapon stopped company at 14. Because of open ground and absolutely no cover available, company was forced to retire approximately 50 yards leaving several casualties on the field. Some of casualties returned under cover of darkness.

As of 18 Jan 45 - Company with platoon of G Company started in attack behind E Co. at 0600 for same objective as day before. Upon gaining woods, Co. moved to left of E Co. Most trouble cause by dense woods & deep snow which caused maintenance of control to be difficult. Objective finally reached at 1300 and patrols pushed to front and flanks. Co. set up CP 1000 yards to front overlooking town of Halconreax. CP supported by section of tanks brought from rear and placed in position by T/Sgt Manning
