Figure 1. Schematic diagram of the experimental setup. The subject is seated in a chair and views the target through a video camera. The target is a light source that is controlled by a computer. The subject is instructed to move the hand to the target location. The distance between the hand and the target is 10 cm. The target is located at the center of the screen. The subject is instructed to move the hand to the target location. The distance between the hand and the target is 10 cm. The target is located at the center of the screen.
